We at Columbus High School know that school spirit plays a prominent part in the interesting and varied activities around CHS. We are proud of our academic achievement, our stage productions, our determined athletic teams, and our very special dances. Participation in these activities is encouraged to help us have a variety of interests. At CHS we have the opportunity to participate in dramatics, sports, choir, band, and many other phases of service. We hope that you will join us as we take a trip around CHS in eighty days

Plus 100.

Along our journey we will try to picture many of the familiar scenes and occurrences, around CHS during a year.

A great number of courses and subjects is available to us as students of CHS. These courses serve to broaden and improve not only our intellect but also our character and personality. An emphasis is placed on the future, but we also learn to know and respect our fellow students and teachers while still in school.

Join us now as we attempt to illustrate how this is all molded together to make our world—the world of CHS.

Mrs. McKain
I am glad you have
otten well. I know
that you will live
at least 100 years more.
Good teachers never
die. You are one of
them.

Our World . . .

* All Students and 66 Classrooms

In our world there are about one thousand five hundred students, seventy-eight teachers, and sixty-six classrooms on a forty acre campus which includes two buildings. We also use some of the facilities at the Junior High School building. This year eight new classrooms and a language laboratory were added to the main building.

A wide choice of activities can be enjoyed, and courses suitable to each individual's needs are offered for study.

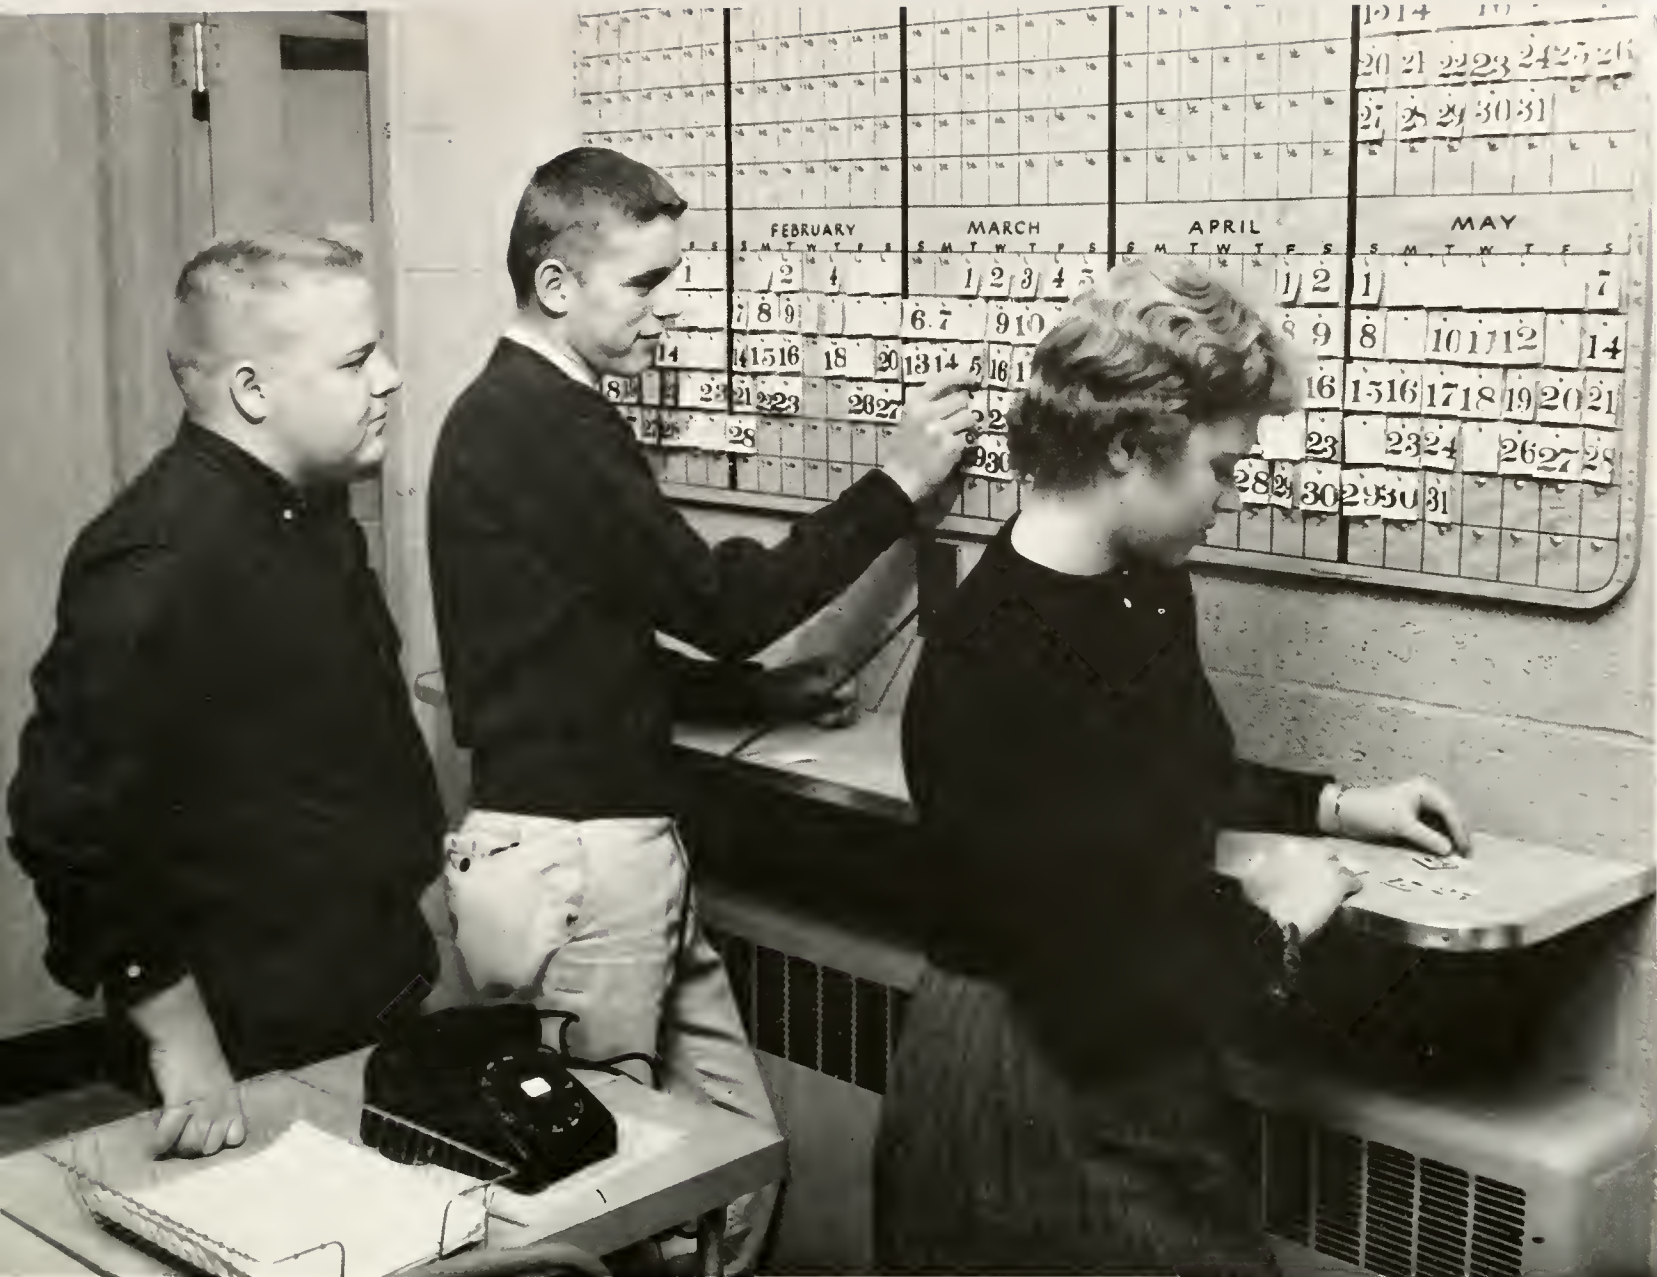

Our trip around CHS is directed by Principal Judson S. Erne. As tour conductor, his voice is often heard directing, explaining, and promoting the various activities of the school, and in every way trying to keep the affairs running smoothly.

In our world of activities, sports, people, and endeavor are many pleasures and much hard work. There are also opportunities for service to our school and community.

A World of Sports

It's a World of Fun

Jerry Hasch, Tom Murphy, and Martha White check activities on the calendar in the outer dean's office.

and a World of Endeavor

A World of People —

Wide Variety of School Dances Held

Six all-school dances and the Junior-Senior Prom were held this year. The planning committees consisted of representatives from each club. The dances were built around a variety of themes which included Oriental Capers, the Homecoming Dance, the Hobo-Hop, the Candy Cane Canter, the Leap Year Ball, and a St. Patrick's Dance.

Again this year the Junior Class worked many hours to make the 1960 Prom an evening that was enjoyed by all who attended.

Many students dance to the music of Dean Duvall and his orchestra at the Candy Cane Canter.

Marietsa Theobald reigned as queen of the Football Jamboree.

Jane Ceppock, 1959 Junior Prom Queen, places crown on Prom King, Curt Linke.

Homecoming Court: Judy Griffin, Mickey Leesman, Queen Jill Marlin, Jeannine Neuen, Wanda Wilkerson.

Skating at the Lincoln Center rink adds to our world of fun.

Our World of Fun—Swimming

Our summertime activities include camping and swimming at the Youth Camp.

*Mrs. McKain
I have enjoyed you as
my teacher & help. I hope
I have fun next year*

*See you
in the future*

Donner Pool provides swimming fun for many CHSites.

Claude Prichard and Jim Morford watch as Judy Edwards bowls.

Skating, Bowling

Our world of fun extends to the community. Students enjoy recreational facilities provided by the city all during the year. The Youth Camp is a favorite setting for club outings and camp sessions during the summer. Donner Park, with its fine pool and other recreational facilities, is a popular place for fun in the summertime. Ice skating is enjoyed at the rink at Lincoln Park during most of the school year, and dances are held there before the skating season starts. The bowling alley challenges many CHSites to try their skill. We feel that we are very fortunate in our city to have such facilities available to us.

The rumpus room provides facilities for supervised recreation during the lunch period.

Lunch period is a time to meet with friends and discuss the day's activities.

The Cannibals from Act 1 of the *Sensational Sixties* bring their King onto the gym floor.

Some of the boys from Act 2 of the *Sensational Sixties* sing "There is nothing like a dame!"

Sensational Sixties Is Big Success

This year about 300 C.H.S. students and 12 faculty members presented something entirely new to C.H.S.: the *Sensational Sixties*, an all-school-talent variety show. The program replaced the customary Spring Fair, which had been held in previous years. The show was organized into 3 acts, each one having a student director and two student script writers. The program, which was held on two nights, was very successful and aroused much interest in the school and community.

The quartet from Act 3 of the *Sensational Sixties* sings "Standing on the Corner, Watching All the Girls Go by."

Students Use New

Mrs. Lister fills out permits for Sharon Seitz, Carmine Lewellen, Barbara Bottorff, and Donna Behr.

Language Laboratory

This year foreign language classes at Columbus Senior High School use the new language laboratory. Here students learn to speak the language they are studying, as well as to read and appreciate the culture of the people whose language they learn. The laboratory is equipped so that thirty students can use the tape recorders, microphones, and earphones. The teacher can converse with the students either individually or with the class as a whole. Each class spends at least one day each week in the laboratory.

There are only a few such laboratories in the Midwest. Foreign language students found it both helpful and interesting.

A German class listens to a recording.

Miss Redmond listens as her students read a French exercise.

Ronnie Hubbard, Dean Henderson, Connie David, and Diane Huffman stop in the Bookstore to buy some supplies from Mrs. Miles.

Claude Prichard lectures to the World Government class on "The Characteristics of the Nation State."

Janet Lane and Mike Green help Judy Blankenship pick up her books as Merideth Lee comes down the stairway behind them.

Ali in Our World of Fun

All in the course of a day, students attend classes to further their knowledge of their chosen subjects. Mrs. Miles assists in their endeavor by having available all needed books and supplies. The Luther Lockwood Library is a busy place where students study and do research on assigned subjects. Mr. Robert Cronkhite, our new librarian, and his student helpers added interest to the library by means of interesting and colorful displays in the show windows and on the bulletin boards.

Even in the best of regulated schools, an occasional spill occurs. Of course this adds frustration, but it also adds a bit of fun.

Most CHSites eat dinner in the school cafeteria. Here they take time to relax and meet with friends, as well as enjoy an appetizing lunch. Breakfast is also served to students and teachers who wish to eat at school.

Students take time out to relax with friends and eat dinner.

The facilities in the library offer students much help.

Interesting Convos Are Enjoyed

Convos at C. H. S. this year had assorted themes and programs. Students, especially members of the band and the choirs, participated in some of these Convos. These were particularly our pep sessions and our sectional convo, where the bus drivers presented a new, flag to Mr. Erne and, as a token of good luck, rabbits feet to members of the basketball team and a rabbit to Mr. Stearman.

Several professional performers provided entertainment also. Mr. Charles King, with his wife, delighted his C.H.S. audience with his musical ability and personality. Mr. Schmidt and his wife demonstrated rules of proper physical fitness and their skills and ability in weight-lifting and acrobatics. At the invitation of Mr. and Mrs. Schmidt, four C.H.S. students tried their skills on the trampoline.

A science convo was presented by General Motors. The new ideas in science were emphasized.

Carol Sue Hamilton changes listing of activities for the coming week.

Three convocation programs this year included a Christmas concert by the combined choirs, a demonstration of physical skills by Mr. and Mrs. Schmidt, and a musical presentation by Mr. Charles King.

Carol Simpson, Gary Smith, Barbara Hunt, and Sylvia Bohall work on their individual projects in art class.

Betty Wheatcraft, Bob Doup, and Perry Baxter work on decorations for the Christmas music concert.

Patti Hicks, Jean Harris, Jeanette Howard, Karen Bozell, Patty Ford, and Linda Kelley practice setting up a patient in home nursing class.

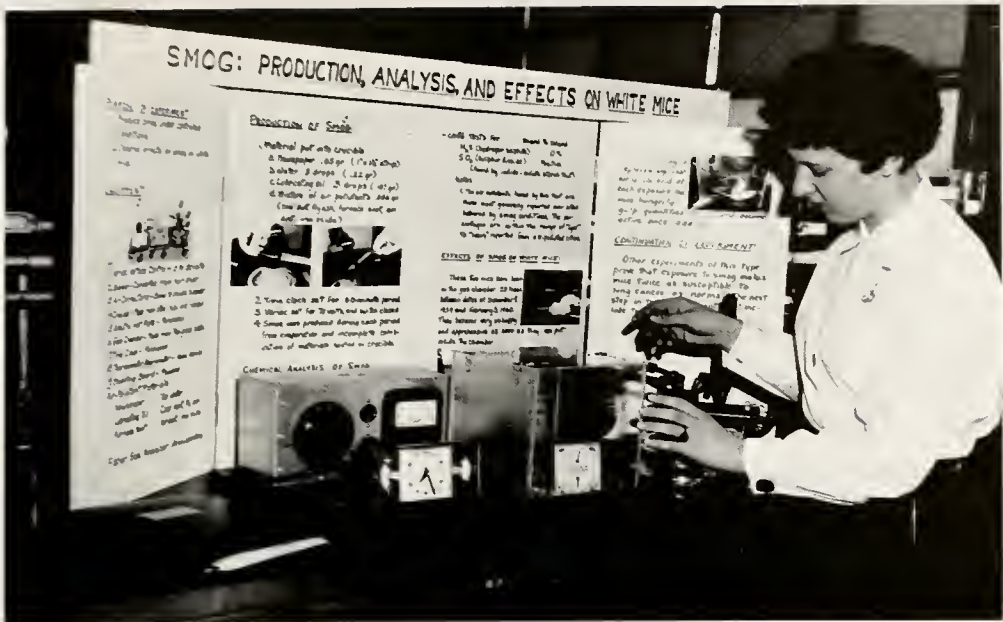

In home economics classes girls learn through doing. Time is devoted to improving skills in cooking and sewing, and to learning about general home-making activities and responsibilities. Knowledge and skills developed in home economics classes will always be useful.

Physical education classes are provided for all students. In these classes students learn the basic fundamentals of each sport played and also the rules for physical fitness. Through participation they also learn good sportsmanship and cooperation.

Advanced science courses were offered in biology, chemistry, and physics this year. In biology many students made use of the greenhouse for their special projects. Much of the time spent in these advanced science classes was devoted to work on individual projects, many of which won special recognition at the local science fair, held March 17 and 18.

Basketball is one game played by girls' physical education classes.

Judy Edwards looks over her science project on "Smog: its production, analysis, and effects on white mice."

All the World's a Stage

"Time marches on" and so does the Dramatic Workshop and Thespian Society at Columbus Senior High School. With these words ever echoing from Miss Mildred Murray, sponsor and director, Thespians and members of Drama Workshop marched on to present numerous plays for the general public, school, and special groups in the community.

The only three-act play that was produced was *The Thread That Runs So True*. Some of the one-act plays presented during the year were "Old Ghosts at Home", "Football Hero", "Christmas Belle", and "Farewell to Calvin."

Annette Fleming, Tom Taylor, George Hamilton, Linda Alexander, Jim Morford, Eddie Poole, and Lois Luse rehearse for the Senior Class Play.

Mr. Spayd and Miss Murray, sponsors of Drama Workshop, discuss choice of one-act plays.

Some of the cast of *The Thread That Runs So True* take time out from rehearsal.

Miss Dowling drills her class on brief forms.

Paul Pringle, Rosemary Pardieck, Tony Patterson, Jennie Arnholt pause at their lockers between classes.

Ralph Tilley, Tommy Green, Linda Followell, and Beverly Thompson are ready to get their *Triangles* as soon as Jim Battin, *Triangle* editor, puts them in the box.

Nancy Doty, Sharon Davis, and Pat Maurer put a health poster in the home economics window.

This year the music department has been very busy in presenting special programs given before the school and civic organizations, along with their regular concerts.

Along with Concert Choir, Girl's Choir, and Girl's Chorus a new group of 12 girls was added. These girls are called the "Debuteens". They too performed in concerts and special programs for organizations in the city. Concert Choir made a tour through cities in northern Indiana.

A small "Dixieland" Band was the feature of the Concert Band. It appeared at the concerts and at a special band concert for the school. A newly formed organization known as the "Bandettes" also appeared with the band. This group was a special drill team which presented a program at several of the half time basketball games.

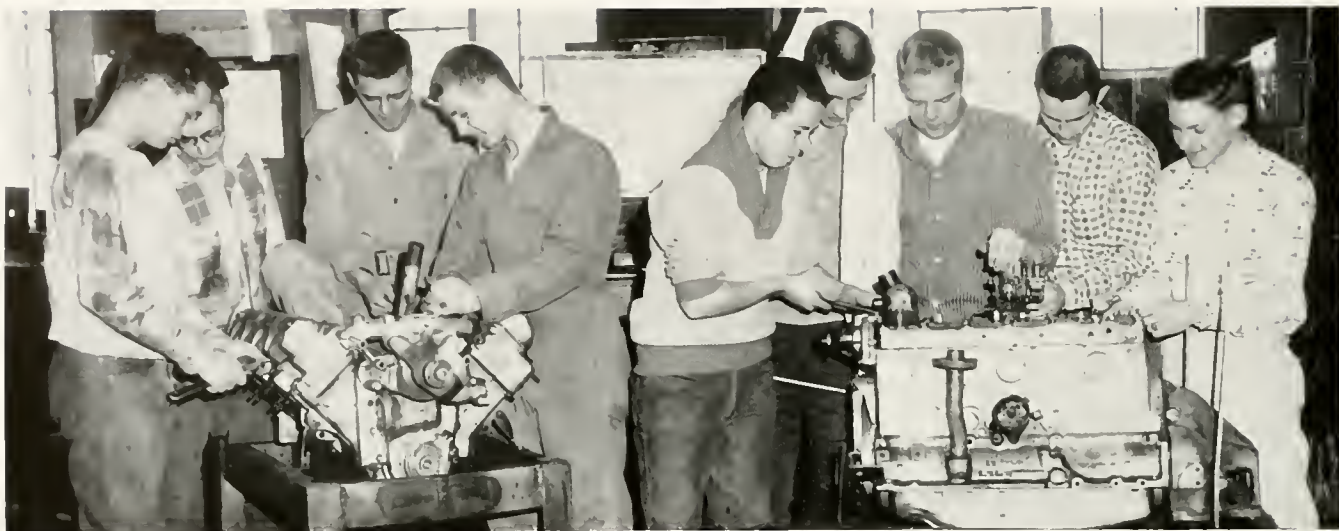

The CHS Band adds entertainment at the basketball games.

Our Classes Use Modern Methods

Miss Folger illustrates geometric forms to Greg Smith, Janice Duncan, Joe Leben.

Some of our vocational classes meet at the Junior High School. The others, including print shop, vocational drafting, and wood shop have classes at the Senior High building. This year a new \$3,870 printing press from Germany was added to the facilities in the vocational department.

With the current interest in science, many students have become interested in higher mathematics. To fulfill this need, several advanced classes are open to students.

To make literature come alive at times, English classes sometimes dramatize certain passages or plays. This and other special activities help to promote greater interest in English and literature.

Thirsty students line up at the drinking fountain between classes.

Miss Lyster's sophomores act out a scene in *The King and I*. They are, kneeling: Karen Daugherty, Barbara Bosart, Penny Hogg, and Lynn Malan. Back row: Becky Hilger, Greg Baker, John Yates, Marty Laws, and Randy Earle.

Some students find time to relax and to enjoy reading current magazines in the library lounge.

At the close of school, students hurry to their lockers.

And Then the School Day Ends

As the school day comes to a close, Leanna Wood and Paul Foster expectantly watch the clock.

At 3:15 the school day ends, a time anxiously awaited by most students. Although most students are dismissed at 3:15, those who ride buses leave classes at 3:10. This arrangement allows most buses to leave the parking lot before there is a traffic problem with students' automobiles.

When school is out, many students remain to work on special interest projects or to participate in athletics. For many students the evening will be spent in watching a basketball game, in dancing to the latest recordings, or in participating in intramurals.

At the 3:10 dismissal of school, students hurry to catch the buses.

Fun and Excitement

Partly as a result of special campaigns sponsored by the Student Council, sportsmanship was very good this year. The entire community backed our mighty, mighty Bulldogs enthusiastically. This backing gave inspiration and an even greater desire to win to our determined athletic teams.

A perfect football season and our second straight State Swimming Championship highlighted our sports program at CSHS.

Memorial Gym is quiet as the Flag starts to be raised, and everyone prepares to join in "The Star Spangled Banner."

Jim Holland shoots as Richard Eynon and some Seymour players prepare for a possible rebound.

Our two major athletic victories this year were won by our football and swimming teams. The football team won the South Central Conference Championship and had a perfect 10-0 season. This was the first year since 1907, that the Bulldogs had an undefeated season. In addition, Coach Andress was unanimously voted South Central Conference coach of the year. The swimming team finished the season after winning their 50th straight dual meet and very successfully defending the State Championship, which they won in 1959. Of the thirteen records broken this season, six were national records.

The Superintendent

Dr. Clarence Robbins

Superintendent Dr. Clarence Robbins and the School Board have worked diligently to make many improvements for C.S.H.S. The major projects have been the acquiring of land and the planning and constructing of schools and additions. The rapidly increasing enrollment has necessitated plans for bringing one-hundred and fifty freshmen up to the high school next year until the new junior high is completed. With the completion of the language wing, came a revision in the modern foreign language program which incorporates practice in speaking foreign tongues. The facilities in our laboratory are considered to be some of the best in the United States.

The year has truly been successful in our progressive school system.

Seated: Mr. Henry Blessing, Mrs. Clarence Hilton, Dr. Clarence Robbins, Mr. Harold Wand.
Standing: Mr. Clayton Huntington, Mr. Claude Thompson.

Mr. C. G. Addleman, Vice-principal

Mr. J. O. Kelly, Vice-principal

Mr. Judson Erne, Principal

The principals have innumerable administrative duties which they perform and many problems which they encounter daily.

In scheduling convos, time interruption of classes and procession of students to the gym need to be considered always in achieving smooth programs. Questions ranging from curriculum to disciplinary action must often be discussed and settled satisfactorily. The principals do a great deal to maintain understanding between the faculty and student body.

Mr. Erne writes, "The most rewarding experiences which I receive as a secondary school principal are the following, centered around young people: seeing the smiles of a young man greeting his best girl friend, seeing the tears of a young girl as she wonders about her over-anxious problems, watching the grim expression of students leaving a final examination, noting the remorse gripping a youngster when he has committed an act of wrong doing, or sharing the pride and joy of success and achievement, the hilarity at a ball game, the Christian spirit displayed by so many in helping others when in need. All these are rewarding.

"The crowning reward one receives is that of commencement night when, one by one, each student becomes the center of attraction in receiving his diploma. Some faces represent years of hard, stimulating effort; others represent years of just getting by, but as I look at each, my thoughts are projected into the future hoping that each will be happy and successful and praying that none will fall by the wayside."

Deans and Counselors Aid Students

Mr. Noel Genth, Dean of Boys, and Miss Josephine Armuth, Dean of Girls, discuss some reports.

Guidance counselors are: Mr. Melvin Harrison, guidance director; Mr. George Utterback, Miss Mildred Maley, Mr. Wilbur Albeitz, and Mr. Ted Marston.

Mr. William C. Baker, director of vocational and adult education.

The heads of departments:

Back row: Mr. Arthur Taylor, Business; Mr. Lawrence Poorman, Science; Mr. Maurice Randall, Social Studies; Mr. Gerald Quilleon, Mathematics.

Front row: Mr. Karl McCan, Art; Miss Louise VanLieu, English; Mr. Robert Cronkhite, Librarian.

Mrs. Nina Miles, Bookstore manager.

Mrs. Birkemeier, School nurse, and Dr. Benjamin Ranck, School doctor.

The Guidance Department truly has an important part in helping to shape the academic life of every student in CSHS. Mr. Harrison writes, "The most enjoyable portion of my day-to-day experiences as Director of Guidance is the reward of being in close contact with the many Columbus students. A counselor's day is spent in talking with students about programs of study, vocations, military obligations, college choices, or any of a variety of topics. It is most rewarding when the atmosphere can be created wherein the student can make a satisfactory adjustment and proceed to do his best work equipped with whatever talent he has. Counseling in itself is enjoyable."

The deans are instrumental in keeping our school

running well at all times. Miss Armuth writes, "One of the rewarding experiences as Dean of Girls is the realization of the small part which I may have played in a girl's life by helping her to make the most of her educational opportunities, by making her way through high school a little smoother, and by watching her reach that stage of maturity where she will usually make right choices and will discipline herself."

Mr. Genth writes, "My most rewarding experience takes place at Commencement—when I see a young man receive his diploma and I feel, that in some small way, I helped him achieve his goal."

Officeworkers are Mrs. Irene Lister, Mrs. Thelma Christianson, Mrs. Doris Grayson, Mrs. Lucille Bray, Mrs. Lois Fouts, and Mrs. Besie Ellis.

Around

CHS

Many improvements have been made in the club program around C.S.H.S. this year. Due to the backing of Student Council, many new projects have been added. Among these were the "booster buses" which traveled to many football and basketball games. Many new clubs were also added.

ACTIVITIES

Activities Committee Approves Club Projects

Each year the Activities Committee, consisting of seven faculty members appointed by Mr. Erne and students chosen from the student body, supervise club activities and fund-raising projects.

Clubs are to have a budget and to itemize at the beginning of the year the expenses they expect to have. This information must be reported to the Activities Committee.

This year the committee set up new qualifications for school queens. There may be a maximum of four queens each year: Jamboree, Relay, Homecoming, and Prom. No girl is eligible to be a candidate for the queenship a second time. This does not apply to the Junior Prom, however. The plan for queen election shall apply only to the election of the Jamboree, Homecoming, and Relay Queens. The Student Council shall be in charge of these elections. Two candidates from each class shall be chosen by the homerooms for each election. The sophomores will vote for a girl from their class, and the juniors and seniors from their classes. The two girls from each class who receive the highest number of votes shall be the candidates for their respective classes.

The Activities Committee by request has also sponsored a dance at Lincoln Center to open the spring season.

Members of Student Council are: Back Row: Curt Linke, Carol Sue Hamilton, Mr. Arthur Taylor, Nancy Thompson, Mike Burt, Skip Lindeman, Doug Voelz, Jill Marlin.

Assembly Sponsors New Activities

The Student Assembly and Student Council sponsored many projects this year. Along with the "Thought of the Week" and the bulletin board in the main hall showing a schedule of coming events, they sponsored a chili supper, "booster buses", sectional decorations, and the election of the homecoming queen. They also put a Christmas Tree and a banner, wishing everyone a "Merry Christmas", over the main entrance of the school during the Christmas Season.

Next year they hope to sponsor an exchange student to our school.

Student Assembly members are elected each year from the homerooms to represent the student body in school affairs. Officers of the Student Assembly, and two assembly members from each class serve on the Student Council. These organizations are under the supervision of Mr. C. G. Addleman and Mr. Arthur Taylor.

Honor Clubs Have New Activities

PHC is an honorary athletic club for girls. It is under the supervision of Miss Joan Diggs. To become a member, a girl must have earned 25 points by participating in intramurals. She must also have average grades. Members of PHC are selected during the second semester.

Quill and Scroll is a journalistic honorary society. Its membership is composed of people chosen from *The Log* staff, *The Triangle* staff, and the student writer for *The Evening Republican*. Each member is required to be in the upper third of his class. The club is under the supervision of Miss Evelyn Seward.

Band Participates in State Contest

The Columbus Senior High School varsity band performed for all of our home athletic events this year. Its colorful drills and formations were wonderful entertainment for the half-time shows.

This instrumental group at CHS functions for the purpose of teaching its members American music on a performance level. To prepare for their performances, members begin playing and practicing their marches in the summer.

Under the direction of Mr. Elwyn Brown, director of instrumental music, the band has become a fine performing group. It has made approximately sixty-three appearances this year, among them being the Good Neighbor Festival, the all-city Christmas program, and the *Sensational Sixties* variety show. Membership in the band is expected to double for next year because of increased interest.

The annual project of the band is a fruit cake sale. Profit from this sale is used to finance a marching band camp, which lasts one week and is held at Youth Camp. At this camp, the band members practice drills and study different phases of music.

Another activity is the state band contest. Our CHS band won second division in the state band contest.

"Work" is the byword for all actors and actresses. The Columbus Senior High School Dramatic Workshop and Thespian Society understand this fact and act accordingly.

This year the members of Drama Workshop and the Thespians worked hard to produce outstanding performances. Many days of learning lines, practicing, and keeping late hours to work for perfection went into each major production. The play presented in the early spring was the three-act play, "The Thread That Runs So True." It is a play based on the beginning of Jesse Stuart's teaching career.

The senior members of Drama Workshop and Thespian Society, organized into a special class, presented as their Senior Class Play "Love Is Eternal", a three-act play depicting the life of Mary Todd Lincoln and her marriage to Abraham Lincoln.

Students who met the proper requirements were chosen for membership in the National Thespian Society. Membership in this organization is the greatest honor a high school student may achieve for outstanding participation in the dramatic arts. Each member knows and acts under the motto: "Act well your part: There all the honor lies."

Miss Mildred Murray, sponsor and director; Miss Elsie Butler, business manager; and Mr. John Spayd, technical director, work with the students to help them to succeed in their productions.

Cheerblocks Boost School Spirit

The newly-organized Kennel Club boosts the Dogs on to victory.

This year the newly formed Boys' Cheerblock, under the supervision of Mr. Walter Page, joined Girls' Cheerblock in helping to raise school spirit and morale. The cheerblocks were quite colorful. The boys were dressed in white sweat shirts with Bulldog emblems on them, and the girls were dressed in blue and white capes, beanies, and mittens. Besides the usual halftime entertainment, they worked hard to provide special programs. An example of this was their combined efforts to present a special program during the Christmas season. The cheerblocks were on hand at many of the out-of-town football and basketball games to boost the Dogs on to victory. The president of the two organizations were Toni Warfel and Paul Schwartzkopf.

The faces of Girls' Cheerblock reflect a tense moment of the game.

Several clubs joined together for a Christmas caroling party.

The purpose of Tri-Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. Their motto is pure thoughts, pure words, and pure actions.

This spring the six chapters of the club had a joint fashion show, which they called "Spotlight on Spring." This was a new project for Tri-Hi-Y. The fashion show took place on April 27, and fashions were furnished by Anderson's. All arrangements were made by the club.

Tri-Hi-Y raised money this year in order to provide money for a scholarship for a senior member of the club. This year they gave a \$250 scholarship. To raise the money for their projects, the club sponsored such things as tid-bit sales and chili-suppers.

The members of Tri-Hi-Y enjoyed joint meetings where movies of the work done by YMCA were shown. The movies were both interesting and helpful to the members of the club.

Tri-Hi-Y Clubs Have Fashion Show

Future Homemakers

The girls who are striving to become better citizens through more knowledge of home and community life and who want to further interest in home economics are the Future Homemakers of America. "Toward New Horizons" is their motto, which means that the future homes of America will be better than ever through the tireless efforts of F.H.A.

Besides their local activities, the members participate in Southeast District F.H.A. meetings and attend state conventions held during the summer on college and university campuses.

The sponsor is Miss Bernice Tanner, head of the Home Economics Department.

Future Farmers

The Columbus F.F.A. keeps busy with many activities during the year. The first meeting of the year is the freshman get acquainted party. To climax a year of work, the club has a Parent-Son banquet, at which time the outstanding students of the year are honored.

In order to supplement its treasury, the club has various projects each year. It also has projects to help the individual. In addition to selling farm magazines this year, the members are conducting an individual farm safety check.

Club Members Hear Special Guest Speakers

Alan Whipker, Charles Austerman, and Dennis Wiley discuss an article in the State conservation magazine, *Outdoor Indiana*.

Three Conservation Clubs at CSHS sponsored by Mr. Barrows, Mr. Fleming, and Mr. Hume, have one specific requirement that must be fulfilled to obtain club membership. Each candidate for membership must carry out a project in some field of conservation, whether it be feeding birds in the winter or raising wild fowl during the year.

Although conservation centers around wildlife, the members plant evergreen trees in the spring, sponsor a pest control contest, and kill such pests as sparrows, mice, and rats. To receive recognition for killing these pests, members bring in proof of the killing such as feet of the varmit. By competing against each other in these projects, these clubs learn to recognize many kinds of pests and to protect the plant and animal life as well.

In the club meetings many outstanding guest speakers address the members. As an example, Mr. William Kolpits, Educational Director of the Indiana Department of Conservation, and Carroll Green, Bartholomew County Conservation Officer, spoke on the various aspects of conservation. In addition they have had the privilege of visiting the largest quail hatchery in Indiana.

These clubs strive to create interest in conserving our natural resources by helping with community projects in conservation. In this way they encourage members to improve their homes and community. They also encourage improvement of scholarship and school loyalty.

Hi-Y Clubs Serve Community and School

Hi-Y, a club for Christian young men, tries to extend to its members high principles by which they may live. Its main purpose is "to create, maintain, and extend throughout the school and community, high standards of Christian character." With this purpose Hi-Y has a platform such as follows: Clean Speech, Clean Sports, Clean Scholarship, and Clean living.

The Hi-Y club at Columbus Senior High School is composed of nine chapters. The club as a whole has many projects. Two of these are taking turns ushering at the basketball games and taking part in the Heart Fund Drive.

The individual clubs also sponsor projects such as: the TB Drive, putting up a mirror in the hall, and selling a variety of things including pennants, mascot badges, Christmas cards, booster hats, and candy.

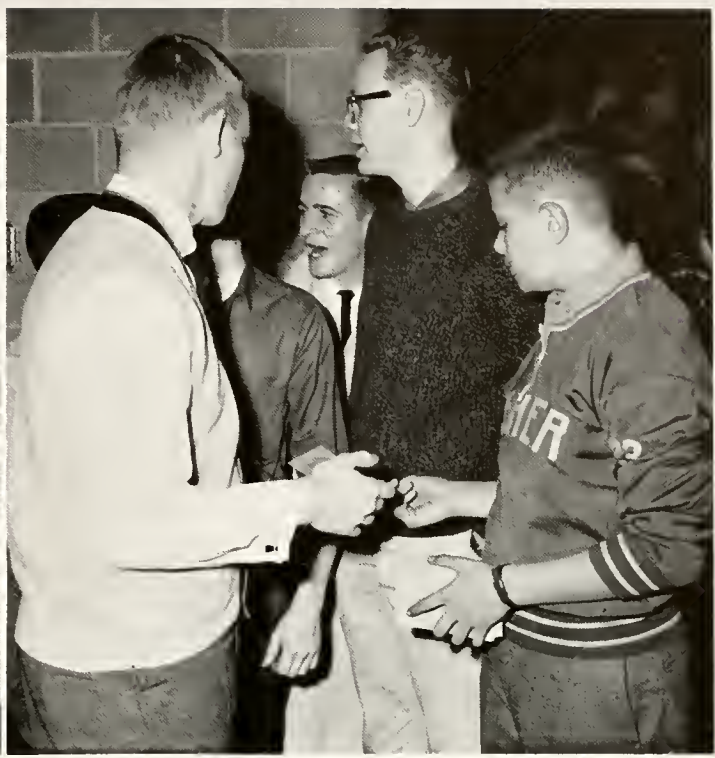

To try to extend and to aid the members in choosing a future vocation, the chapters had a joint program at the gym on selecting Christian professions.

Although Hi-Y sponsors many outstanding things, one of the most meritable is the J. Ray Ross Scholarship Fund. The chapters in this school give \$100 a year to a worthy college student to aid in his expenses. Norman Howard and Roger Callahan are currently benefiting from this scholarship.

Dave Duncan, Danny Nolting, George Gross, Dave Kiel, Gerald Jordan, and Ray Zeigler look at the mirror which their club bought for our school.

The Junior Red Cross Assembly achieved far-reaching influence by the important services its members rendered this year. The Assembly members helped the Red Cross in the annual March of Dimes and in the Heart Fund Drive. They gave a party for the children at Muscatatuck State School during the year. Their biggest project was the chest which they filled to send to a worthwhile place of need. The Junior Red Cross meetings were held to plan these activities and often to hear Red Cross speakers.

Each homeroom of CHS was represented by one member of the Assembly, which was, in turn, represented by the Junior Red Cross Council, made up of the Assembly officers and one sophomore, one junior, and one senior member. Mr. Dannerbeck was the sponsor.

The Library Club is organized and conducted as one of the regular school sponsored clubs. It is under the supervision of Mr. Robert Cronkhite.

The purpose of the club is to create student interest in the use of library books and in service.

Membership is open to any student who wishes to join the club. Every member is expected to attend the meetings and to participate in the club activities. Included in these activities are working in the library, decorating the bulletin boards, putting books back on the shelves, and repairing worn books.

The entire student body is appreciative of the work that these club members do.

Y-Teen Clubs Serve School and Community

"To grow as a person; to grow in friendship with people of all races, religions, nationalities; to grow in knowledge and love of God." These are the goals of the world-wide organization of Y-Teens clubs, which are affiliated with the Y.W.C.A.

By serving their school and community, Y-Teens clubs strive to carry out their goals. They clothe underprivileged children, take baskets of food to needy families, collect contributions for "Heart Sunday", help at the Girl's Club, decorate school Christmas trees, and participate in many other worthwhile activities.

There are now seven chapters of Y-Teens in our school; their sponsors are as follows: A, Miss Van Lieu;

B, Mrs. Mellencamp; C, Miss Dowling; D, Miss Redmond; E, Miss Lucas; F, Mrs. Rhoads; G, Miss Seward. Miss Josephine Armuth, Dean of Girls, serves as coordinator for the clubs.

The sponsor, president, and council representative of each chapter make up the Y-Teen's Council. This council meets to discuss any problems which may concern the group as a whole. Miss Armuth presides over the council.

The girls try to have interesting programs at each meeting by having speakers from all major fields of vocation talk to the group. Joint club meetings with one chapter presiding are also enjoyed.

The Science Club was organized to further interest in all fields of science from the aesthetic standpoint and to help members to become acquainted with nationwide scientific progress. One of the requirements for membership is to show a project in the local science fair, which is sponsored by two CHS science clubs.

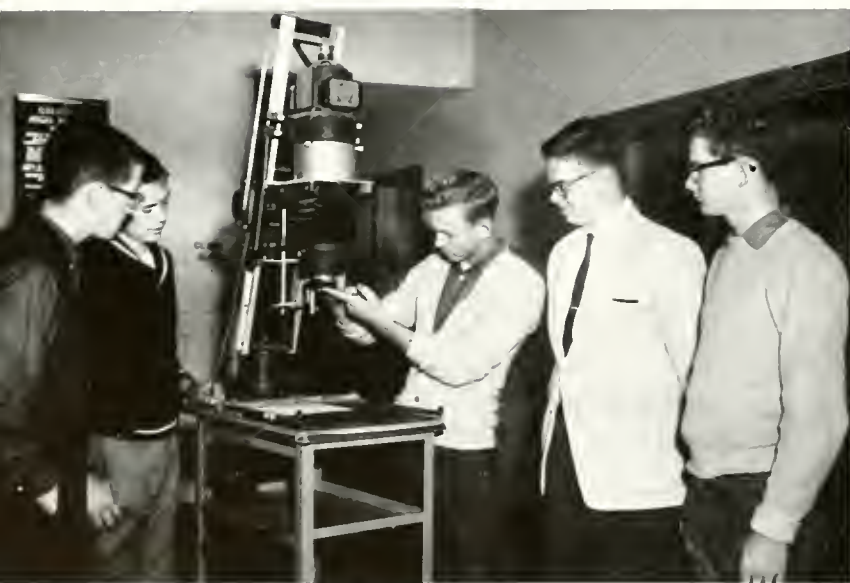

Besides sponsoring the local science fair, the science clubs distribute Christmas baskets to under-privileged families.

The program which is given every week consists of short talks and demonstrations by students who show particular interest in a certain field of science. Occasionally science movies are shown, and the clubs also hear distinguished speakers in the science field in Columbus. Through meeting other people interested in science, the members receive a better understanding and appreciation for the scientific field.

Clubs Have Interesting Programs

David Crockett, Duane Baker, Virgil Lambert, David Drysdale, and Larry Hatton examine an enlarger.

The Photography Club, under the direction of Jack Frame and John Spayd, was organized this year with one purpose in mind: to teach those who were interested how to use a camera and how to take good pictures.

Through the year the club members have tried to put into practice what they have learned. Picture assignments were made regularly, requiring them to bring in pictures on various subjects. These were to have been, preferably, pictures that the members had taken themselves. These were then shown to the group and then discussed.

The club has been instructed in photographic methods and camera procedure by various people, both from outside the school and from the faculty. Those from our own staff who lectured to the club include such camera-minded people as Noel Genth, J. O. Kelly, and Jack Frame.

The purpose of Recreation Club is, as the name implies, recreation with emphasis on sportmanship and rules of the games. This year the club had about sixty members. This number is a big increase over last year's membership. The boys met in the gym on club days with their sponsor, Mr. Stearman. Many different types of recreation are offered to the boys. Some boys choose to go to the rumpus room and play ping pong or other table games, while others tumble or play basketball or volleyball. In the spring the boys play outdoor games such as softball and football.

Because of the increasing interest shown by high school students in entering contests, a Contest Club was formed last year with thirteen charter members. The purpose of the club is to promote interest in entering national contests. During the club period, information concerning current contests is given out, and contest techniques are taught. The club also sponsors inter-club contests among the members, and last year it held a school-wide contest to name the Columbus Bulldog.

Points are given for entering national contests, contributing labels for current contests, serving on committees, and participating in club activities.

Under the direction of Mrs. Wm. C. Lawless, the club membership has grown from the thirteen charter members to a total of thirty-five members this year.

David McWilliams waits eagerly as Bill Arterburn and Frank Quilleon scramble for the ball.

And Challenging Projects

Contest club members discuss important types of contests. They are: standing, Jerry McCoy, Shirley Hayden, Myra Sutherland, Carolyn Mapes, Alice Taylor, and Mary Wilson; seated, John Hyer, Ronnie Segebarth, Mike Lindeman, and Ronnie Manley.

Record Clubs Learn to Appreciate Good Music

The chapters of Record Club meet weekly to listen to and discuss all types of music. Sometimes the works of special artists are featured.

The purpose of the club is to broaden the musical appreciation of the members.

One of the projects of all chapters has been the selecting of what they believe to be the nation's top ten tunes. All club members take a part in this selection.

Two chapters of the record club, under the supervision of Mr. Harvey Wells and Mr. Duane Anthony, had a dance in the rumpus room during the first semester. A small combo of high school boys, called the "Nuggets," furnished the music.

Record Club C, under the supervision of Miss Marjorie Gilkey, had very interesting club programs this year. The members presented "take offs" on television and radio programs. Everyone in the club participated. Points were given for audience appeal, presentation, and value for learning more about music.

Charles Johnson, Reva George, Velma Holt, and Mary Ann Harrison gather around the juke-box in the rumpus room.

Carol Thompson, Nancy Doty, Donna Wilhite, Darlene Holley, Cheryl Pittman, and Connie Hedger select record albums to be played during the club period.

Clifford Kinsey, Gary Cheek, Bill Bryant, and Milton Gossett get the record player ready for a meeting.

Sponsor Mr. Harvey Wells, Farrell Axsom, Bob Ruddick, Connie Gibson, Sharon Martin, and Sharon Bryant discuss club matters.

Raymond Weaver, Dennis Conover, and John Snyder study the parts of a radio.

In its second year of organization, the Debate Club, sponsored by Mr. Sam Davis, has become increasingly more active in inter-school debates and speech contests. In these contests the members of the Debate Club have earned the rating of Excellence in extemporaneous speaking and Superior rating in debate at the Speech Meet held at the Indiana State College. With these ratings and the completion of a good season in debate meets, the Debate Club has earned added acclaim for Columbus Senior High School.

Debate to the club members is a highly enjoyable mental sport, which tests their ability to express their opposing ideas and to defend them under direct challenge. The members learn tact, resourcefulness, ability to think on one's feet, and to support ideas by evidence.

* * * * *

The Radio Club meets weekly with the sponsor, Mr. Taylor, to learn more about radio theory and to study the Federal Communication Regulations for amateur radio operators. Also, sometimes the boys practice the Morse Code. The club has its own transmitter and receiver with the call number K9-TBL. A coat check at one of the basketball games was the club's money making project for this year.

Clubs Develop

Gail Goetcheus, Walter Hathaway, Cal Brand, and Charles Atkinson prepare for a debate.

Members of Chess Club find that chess is a very intriguing and challenging game. The members feel a great deal of satisfaction when they beat an opponent, but the fun of playing chess is one of the game's chief rewards.

This club is open to anyone interested in the game of chess, whether he knows how to play or not. Members who do not know how to play when they join are taught during the first few meetings.

Special Skills

One of the new clubs formed this year at C.S.H.S. is Hobby Club. Under the supervision of Mr. Leroy Nelson, the club is open to anyone interested in working with models of airplanes, cars, and ships. The club period each week is spent in doing this craft. In its initial year at C.S.H.S. membership in the club consists of twenty-one boys.

Sunshine Clubs

Presidents of Sunshine chapters pin birthday carnations on members of faculty.

The purpose of the Sunshine Club is to train girls to become intelligent leaders in the community by taking an interest in its health and welfare. In order to do this, the members have worked evenings at the Bartholomew County Hospital and in the school cafeteria for the Columbus Classroom Teachers Association Dinner. To receive further training toward their purpose, they have given a scholarship to a girl entering nurse's training, given carnations to teachers on their birthdays, and contributed to the State Riley Fund.

New members of Sunshine Club are being recognized at initiation ceremonies.

Spread Cheer

This year the chapters of Sunshine Club started a new practice. They held joint meetings once a month. Speakers representing different phases of the medical field talked to the girls at these meetings. These guest speakers talked about pharmacy, registered nurse's training, practical nursing, the work of a laboratory technician, and the work of a hospital dietitian. Through these speakers, the girls were able to develop a more thorough knowledge of the medical field.

Members of *The Log* staff kept busy this year by rushing to meet deadlines. There were pictures to be taken and identified and copy to be written. Each staff member worked diligently to meet these deadlines. Members also were assigned rooms in which to take *Log* subscriptions.

To tie in with the theme "Around the World in 80 Days plus 100", staff members have featured activities and everyday occurrences around the school.

The staff members were selected from applications handed in to a publications committee, which consists of some of the teachers and the principal.

Log and Triangle Staff Print CHS News

Meeting deadlines for weekly publication kept every Triangle staff member busy. On several occasions, the members published special issues. Among these were the special Christmas issue, an issue honoring the victorious swimming team, and the April Fools' Day issue.

To become a member of the Triangle staff, a student must fill out an application. This application is considered by the publications committee, which consists of some of the teachers and the principal. After consideration of these applications, the staff for the next year is announced just before the end of the school year.

This year the Triangle supervisor was Mr. Duane Anthony. The printing supervisor was Mr. Winifred Kalkwarf.

Around

CHS

Both surprises and disappointments were experienced in the world of sports at CHS this year. Some of the highlights were our undefeated football season and another outstanding swimming season which closed in successfully defending the State swimming championship which we won last year.

Sports

The fighting Bulldogs of head coach Max Andress finished the 1959 grid season with the finest record in the history of C.S.H.S. The Canines finished with an unblemished record of ten victories with no defeats for their first unbeaten season since 1907. The squad also managed to be undisputed champions of the South Central Conference by virtue of an 8-0 record against some of the finest teams in this part of the state.

After making an unimpressive debut in the SCC Jamboree, the underdog Canines swept over host FRANKLIN by a decisive 25-6 margin. The Dogs continued their burst of scoring in the home opener against MARTINSVILLE. As was to be the case during the

season with all of their opponents, the Artesians were heavily fired up for the encounter, but went down to defeat, 22-7. The Andressmen surprised the entire conference, when, one week later, they rolled over a determined SEYMOUR squad by a thorough 28-0 score. The state was formally introduced to the mighty, unyielding defensive unit known as the Blue Bandits, who frustrated all Owl hopes of scoring. In a bruising, non-conference battle, the Bulldogs tasted sweet revenge for last year's freak defeat at the hands of the BLOOMINGTON Panthers. This season, the Dogs smashed the hopes of the previously unbeaten, highly rated opponents by a 21-6 margin.

Bulldogs Win SCC Crown

After a slow first half in which they held only a 7-0 lead, the CHSites caught fire and by defensive alertness and bruising blocking and tackling, smeared the determined Gold Bears of SHELBYVILLE 27-0. Following this game, the Canines put on an impressive offensive and defensive show against hapless GREENSBURG for a pleased Homecoming crowd by a 31-0 verdict. Traveling south to engage the powerful Red Devils of JEFFERSONVILLE, the Dogs took advantage of two defensive breaks and built up a sudden 14-0 lead. Then the spotlight was thrust upon the inspired Blue Bandits who made two important goal line stands and wound up victorious by a 21-7 margin. This set the stage for the game of the year between the Bulldogs, who held a 7-0 record, and the surprising SOUTHPORT Cardinals who boasted an equal mark. Five thousand fans packed the COLUMBUS field and received the thrill of their lives in a spectacular contest with a dream finish. Although the Canines managed to control the game between the goal lines, no score was made until late in the game, save the COLUMBUS touchdown that was called back on a highly-disputed technicality. Then the Cardinals scored a touchdown but missed the all-important extra point try. The angry Bulldogs fought back to score twice in the final period to squelch all SOUTHPORT hopes in the 13-6 encounter. This victory assured C.H.S. of its first football conference championship since 1952. Playing their third game in 8 days, the Dogs splashed through rain, mud, and water at NORTH VERNON to the tune of a sweet 26-0 decision. Winding up a perfect season, the rugged Dogs smashed CONNERSVILLE by a booming 40-13 margin and riding atop a fire engine, they received a rousing welcome home.

State Honors are Won

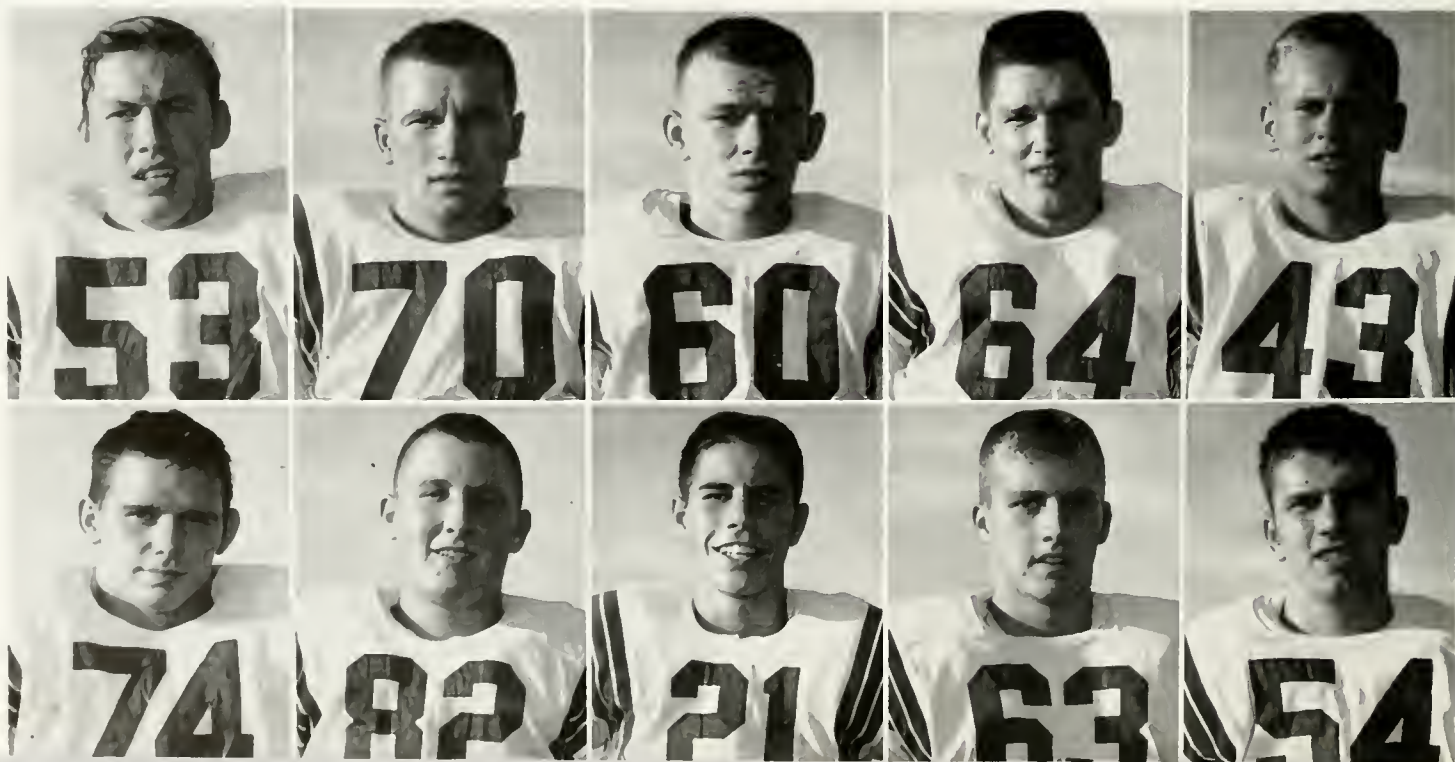

Reserve Coach, Walter Page; Line Coach, Duane Barrows; Back-field Coach, Ted Marston; and Varsity Coach, Max Andress take time out to plan new strategy.

Although the perfect season was definitely a team effort, several honors were won by individuals who were definitely deserving. Bill Spicer, whose spirit, determination, and ability were inspirational to the team, was elected by squad members to the honor of Most Valuable Player. Spicer and John Gentry, a relatively small but mighty guard, were chosen co-captains. Gentry was selected to one all-state first team with honorable mention given to Spicer, Graham Updike, and Jack Hinkle, who also was automatic as an extra point kicker.

All five possible spots on the all-conference team were taken by Bulldogs—Spicer, Gentry, Hinkle, Updike, and John Moore. Honorable mention was awarded to Dan Mobley, Al Betz, and Skip Lindeman. Coach Max Andress received the well-deserved honor of being selected unanimously as the SCC Coach of the Year.

Helped immensely by tremendous school spirit, the grid men justified the faith of their coaches, parents, and friends, and no doubt all the players are better because of it all. The fighting teamwork portrayed by the Bulldogs helped them to receive high rating on all state polls, including 4th on the U.P.I. listings. The powerful Bulldogs amassed 254 points compared with a grudging 45 points allowed by the Blue Bandits, or an average of 25.4—4.5.

Reserves Have Good Season

The C. H. S. reserve football squad also had one of its finest seasons in a long time. The future Bulldogs showed promise of things to come in compiling a nearly perfect 7-1 record. Under the helm of Coach Wally Page, the young gridders opened with a 33-18 romp over North Vernon. Continuing along the victory trail, the Pups swept by Martinsville 20-12, perennially-tough Bloomington, 19-0, and the Shelbyville reserves by a margin of 13-6. Against arch-rival Seymour, the promising junior Canines continued the string by notching a 20-13 decision. The Greensburg eleven also proved no match for the hard-hitting Pups, who rolled up a 20-7 score. Following the only loss of the season against Southport, 14-0, Coach Page's squad finished the year by repeating against Seymour, 14-13.

Cross Country Team

Has Rebuilding Year

This year's cross-country thinly-clads, even though exhibiting much effort and spirit, won none of their meets and finished in sixth place in the South Central Conference. Jack Dalton, voted the most valuable player by his teammates, placed eighth in the conference meet in the two mile event and also broke the old course record by twenty-seven seconds. The team came in in twenty-second place out of thirty-one.

Senior lettermen were Curt Linke, Paul Schwartzkopf, Bob Trisler, Sid Showalter, and Daryl Beam. The team is coached by Jim Orlosky.

Although faced with a rebuilding year this season, next year's season should be more promising with the return to the squad of Jack Dalton, Wayne Thompson, Richard McMorrow, Steve Atkins, John Miller, and Bill Isom.

Because of illness, Jack placed only forty-fourth in the sectional meet.

Golfers Eager to Win SCC

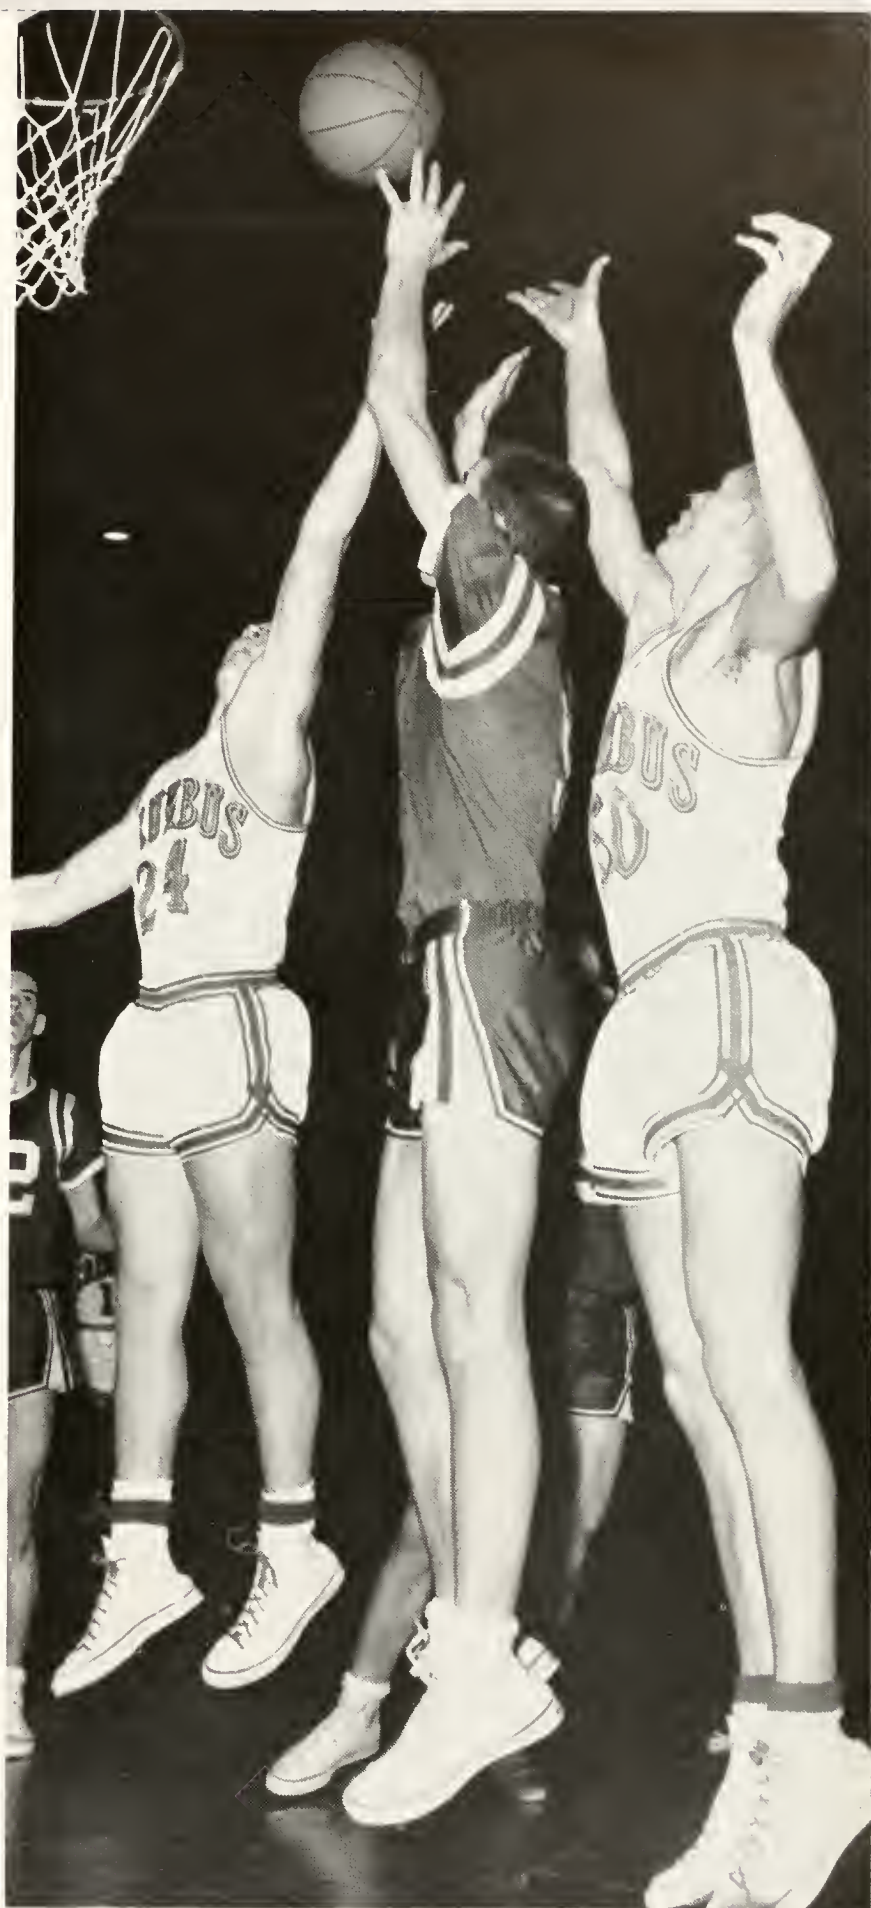

Dave Steenbarger, George Hamilton, Jim Battin, and Cal Brand watch as Cliff Greenlee putts on the green.

The Columbus High School golf team, under the capable direction of Coach Chuck Richardson, began practice in earnest the first week of March in preparation for the spring campaign. The squad was hampered considerably by the bad weather, but the players were anxious to regain the loss of prestige suffered during one horrible afternoon at the conference meet. Mr. Richardson's squad won two dual meets during the fall by lopsided scores and placed high in the Batesville Invitational Meet to gain the favorite's role prior to the SCC matches.

Leading the determined bid for a successful spring campaign will be several capable veterans and a group of promising underclassmen. The three returning senior lettermen battling for medalist honors are Cliff Greenlee, Jim Battin, and Cal Brand. Supporting this fine nucleus will be juniors Steve Shumaker, Dick Bonebrake, and Ronnie Meredith plus sophomore Dallas Wetzel. Shumaker has a good chance to unseat one of the seniors for one of the team's top three positions. Keeping the pressure upon this group will be approximately twelve other boys who have been practicing with the squad at both the Harrison Lake Country Club and the city course. Coach Richardson's task is to mold a capable quartet from this array of talent that will make a good showing in the Sectional Meet and earn a trip to the State Final for the Bulldog links crew.

Bulldogs Have Only Two Returning Lettermen

Plagued by the return of only two lettermen and continued bad breaks, Coach Bill Stearman's boys could do no better than win three of their first twelve games. The first game, against the North Vernon Panthers, was an indication of how the first dozen games were going to go. Walt O'Brian's Panthers overcame senior guard Jay Shumaker's 24 points to gain a last second decision. The young Canines were forced to learn the hard way the next time out when a mighty Bloomington team ran them into the boards by a 74-51 count. Keith Rhodes' fifth-ranked squad had too much of everything for the Bulldogs. Columbus could do very little right the following game against the Connorsville Spartans and dropped a hard-fought but poorly played contest, 46-45. Then, in the fourth game of the season, the boys from CHS were rewarded with their first victory of the season. A balanced scoring attack led them to a 61-59 triumph over Shelbyville.

Basketball Team Stages Impressive Comeback as

Traveling to northern Indiana to play Max Bell's Elkhart team, the Canines lost an overtime game on two Elkhart free throws. Senior center Bob Gibson played a marvelous game and scored 24 points, but Shumaker's 18 points constituted almost all of his support. The Dogs then journeyed to the other end of the state to encounter Madison's number two ranked Cubs. Buster Briley and company overcame a one point Columbus first quartered margin to win handily, 75-38. The following game, rookie coach Ted Server's Grizzly Cubs from up the highway outdid the Bulldogs and Jay Shumaker's 26 points to win in the final quarter by five, 64-59. Joe Warfel added 20 points and played a fine game for Coach Stearman in the losing cause. A 47-22 victory over Martinsville carried the Dogs into their own holiday tourney against Franklin. This was almost a duplicate of the first game between the two clubs, but the Canines again defeated the Artesians to place third behind Seymour. Hitting the road for the first time in 1960, Columbus was trimmed by the improving Greensburg Pirates, 62-51. The Canines returned home and played a fine ball game, only to succumb to a second half rally by Evansville Bosse and lose 59-55. Finishing up their "first season", the Bulldogs owned a mediocre 3-9 record.

Then the team began to jell, and freshman Bill Russell was promoted to a starting guard position. The first victim of the revitalized Bulldogs was highly-rated Manual of Indianapolis. Five Bulldogs' double-figures led Columbus to a 79-75 victory over the twins and company.

Season Ends

The Canines picked up a full head of steam by giving New Albany a sound 61-41 beating and burying Indianapolis Howe. In their fourth game in seven days, the Dogs were defeated by a veteran Rushville squad by eight points, 64-56. The charges of Bill Stearman then brought home a sweet 92-63 pasting of Seymour's Owls. Bill Russell's 26 big markers and 35 points between Warfel and Shumaker helped in a tremendous team triumph. The Canines then suffered a letdown and were soundly

beaten by a young Southport crew. They were up for the next game, however, and played good ball in manhandling Anderson's Indians. Bob Gibson's 23 points and 18 rebounds were aided by Jay Shumaker's 18 markers to offset a fine 33 point performance by Indian chief Jim Rousey and lead CHS to a 67-59 win. Columbus ended the regular season by losing to the S.C.C. champions, Cliff Barker's Jeffersonville Red Devils, by a thirteen point deficit, 74-61.

The victory bell sounds after a Bulldog win.

With the shriek of the whistle and the toss of the ball, the game begins.

With the fine second half record and the marked improvement of the club, enthusiasm ran high into the sectional as the Bulldogs tried vainly to end the frustration of the previous two years. Obviously brought to their peak by Stearman at the right time, The Canines ran up a record 96 points in eliminating a young but talented Nashville team. After being taunted as the "Gutless Bulldogs" before the tourney, the Canines literally blew the Golden Bears from Shelbyville out of Memorial Gym in the afternoon round on Saturday. But guess who came next. Waldron had quietly slipped through the lower bracket and sat perched in front of the sectional crown. A veteran team of Mohawks plus some highly controversial officiation spelled defeat for the Bulldogs for the third frustrating year in a row on a last second tip-in two pointer that gave Waldron its regional ticket.

This years version of Bulldogs was paced in scoring by two seniors, Jay Shumaker with 318 points and Bob Gibson with 240 points. Joe Warfel followed with 220; Richard Eynon was next with 179, followed by Bill Russell and Jim Holland with 104 and 103 respectively.

Since only four seniors were on this year's squad (Gibson, Shumaker, Jeff Crump, and Skip Lindeman), prospects are bright, and many loyal Bulldog rooters are eager for a trip to Butler Fieldhouse in 1961.

After playing very good basketball and winning six out of their last nine games, our Columbus Bulldogs were upset in the final game of the sectional tournament to end the 1959-60 roundball season on a dismal note. This sectional disappointment administered by Waldron's Mohawks was all the more heartbreaking because of the Bulldogs' fine second half record that had Columbus fans thinking about a Regional encounter with the Madison Clubs.

Swimming Team Repeats State Win

Swimming managers, Merrill McMahan and Charles Wells, check team supplies.

Undefeated in dual meets for the fourth straight year, the Bullfrogs of CHS extended their long string of victories to 50. During the swimming season the team broke a total of 13 records, 6 of which were national ones. National record-breaking times were set in the 40-yard freestyle, the 200-yard freestyle, and the 400-yard freestyle. Other highs were reached in the 160-yard individual medley. Seven pool standards were also established. These were in the 40-yard, the 100-yard, the 200-yard, and the 400-yard freestyles. New goals were fixed in the 100-yard breast stroke, the 160-yard individual medley, and the 160-yard medley relay. The opponent who came closest to defeating the Bullfrogs this year was St. Xavier of Cincinnati, who was downed by a margin of twenty-four points.

Bullfrogs Defend Championship

For the second straight year, the Columbus Bullfrogs, under the expert coaching of Duane Barrows, brought home the State Championship swimming title. The Frogs compiled a total score of 79 points, beating their nearest opponent, Muncie Burris, by 43 points.

The lads from Columbus received their points by capturing six first places, two second places, and two third places, and by winning the 200-yard medley relay. While accomplishing this great feat, the tanksmen broke six state records. Claude Thompson set records in the 50 and 100-yard freestyle, while Wayne Thompson established new times in the 100-yard breast stroke and the 200-yard individual medley. Charlie Schuette broke the old record in the 200-yard freestyle; and the 200-yard medley relay team, composed of John Miller, Jim Tanner, John Anderson, and Schuette, furnished the state with another record time.

With many experienced swimmers returning next year, the prospects for the 1961 State Championship look very bright.

Trying to regain the conference championship, which Columbus trackmen indisputably won in 1956 and 1957, this year's track squad had trained diligently in rebuilding a team. The coaches, Jim Orlosky and Bruno Milakovic, express high hopes in the future for Wayne Thompson and Tony Patterson in the high and low hurdles, Mike Green and Mike Burt in the 100 and 200 yard dash, Daryl Beam in the 440 yard run, Richard

Whipker and Larry West in the 880 yard run and Jack Dalton in the mile. The field events look better this year with Jerry Streitelmeier and Dan Mobley in the shot put, Graham Updike and Tony Patterson in the broad jump, Jerry Streitelmeier, David Gill, and Dan Mobley in the high jump, and in the pole vault, Larry White and Sidney Showalter. Baseball Team Hopes for Top Honors

With only two weeks to practice before opening their rugged fifteen game struggle, the C. H. S. baseball squad set out to recapture the coveted South Central Conference crown. With only a few returning lettermen to bolster the team, the Bulldogs will have to make up for the slack with spirit and determination. Nevertheless, the prospects look good for Columbus with exceptional strength at pitcher and catcher and a smooth, able double play combination. With a hard-fighting, fast team this season, Coach William Stearman shows high hopes of turning in a creditable season and winding up the S.C.C. schedule on top. This year's Bulldog nine has the ability and spirit to fulfill advanced predictions and justify Coach Stearman's confidence. Although there is just a handful of lettermen on the squad, the bulk of the players have had at least some previous varsity experience and have shown well as a team in their brief appearances and many reserve games. With this even balance of teamwork and individual ability, and with expert coaching in fundamentals and strategy, the perennially rugged C.H.S. baseball squad is eagerly awaiting the start of what promises to be a successful season.

Danny FitzGibbon and Bob Trisler demonstrate the double play as Mike Brock, Quentin Reynolds, Wayne Malan, and John Moore look on for pointers.

Girls Compete in Intramural Play

This year the girls' intramural program included basketball, swimming, volleyball, and bowling. The championship team in swimming was made up of sophomores. A sophomore team in a hard-fought game won the basketball championship by defeating a senior team by a single point.

PHC members help plan and organize the tournaments. Before competition started in the volleyball tournament, the girls who were participating were taught the new rules of the game by PHC members.

Seniors Win Intramural Honors

Mr. Robert Chappell, science instructor, assumed sponsorship of boys' intramural basketball this year. These boys, who love basketball, play together every Thursday night. The team this year which took first place in tournament play was Senior Team I; the boys on the winning team were David Steenbarger, Bill Fox, Jim Battin, Bill Spicer, and Dan Mobley. The record of this team was seven wins and one loss. Junior Team II was the second best team with a record of six wins and one loss.

Shown in the three action pictures are some of the boys participating in the intramural program.

Around

CHS

This is the world of classes, each with its own distinctions. Sophomores became acquainted with CHS, its multiple opportunities and its many helpful teachers. Juniors received their new class rings and began to feel like upperclassmen. And, of course, the seniors waited with mixed emotions for their graduation day.

Classes

Seniors Work Toward Graduation

The class of 1960 completed the final trip through the academic and extracurricular spheres of the CHS world. Guiding the seniors in their activities were the sponsors: Miss Elsie Butler, Miss Mildred Maley, Mr. Neal Carmichael, Mr. Glen Diel, and Mr. David Haines. Senior class officers Skipper Lindeman, Dorothy Behrman, Carol Eynon, and Jane Coppock assisted the sponsors.

The senior world was a world of activity and tradition, of responsibility and reward. There was much busy preparation for the future. Cadet teachers and Cummins students gained first hand experience for their life work. College Board Tests and scholarships were among the thoughts of many seniors.

Again the traditional senior cords walked the halls of CHS, and more than one senior foot stepped proudly upon the senior circle.

Term papers preceded the Prom and Senior Week as the main topic of conversation. Then, when all of these are past, the seniors find themselves in caps and gowns, graduating from CHS and entering the new world of the future.

Admiring the senior circle are the Senior class officers. They are Skipper Lindeman, President; Carol Eynon, Secretary; Jane Coppock, Treasurer; and Dorothy Behrman, Vice President.

Standing in the order of their positions are the 1960 Top Ten Seniors. They are Skipper Lindeman, Kathy London, Judy Edwards, Connie Pogue, Curtis Linke, Dan FitzGibbon, Nancy Thompson, Mary Ann Sears, Paul Schwartzkopf, and Eddie Poole. Larry Davis is not pictured.

Senior Class sponsors were Mr. David Haines, Miss Elsie Butler, Miss Mildred Maley, and Mr. Neal Carmichael.

Lois Luse, Tom Sharp, Jay Shumaker, Tom Jacobs, and many other seniors took the College Board Exams.

Juniors Start New Trend in Class Rings

The Junior Class officers this year were, standing, left to right, Meredith Lee, and Jack Dalton; sitting, left to right, Suzanne Forester and Jim Rapp.

The most important activities of this year's Junior Class have consisted primarily of working in concessions, selecting class rings, and making preparations for the Prom.

The Junior Class sponsors and officers worked diligently to make the Prom the best ever. Students worked in concessions at ballgames and special programs to provide the necessary financial assistance. On this page are the officers choosing the various committees for decorations, refreshments, and finances. Practically every junior was instrumental, through these committees and other activities, in making the Prom a success.

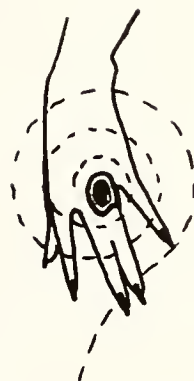

Many juniors remember waiting anxiously in line for their class rings. This year a new trend in class rings was begun. The stones were chosen from a variety of colors, settings, and sizes, ranging from small to large. The popularity of the rings was indicated by the many orders. For the next five years juniors will have rings of a style similar to the ones of this year.

The Junior Class sponsors this year were, left to right, Mr. Scott, Miss Redmond, Mr. McCan, and Mrs. Miller.

Mr. Jack McVay distributes class rings to Dottie Battin and other juniors.

Steve Miller, Nashville basketball player, and his coach, Ted Shisler, buy refreshments from juniors in a concession stand at the Sectional.

Becky Breeden, Dana Essex, Bonnie Walker, Beverly Hubler, and Bill Hawkins work on decorations for the Prom.

Sophomores Have Usual Problems

This year has been one of adjustment for the sophomores. The usual problems of finding rooms and lockers have confronted them, but like many other classes they have overcome these minor problems.

The class officers were president, Mike Burt; vice-president, Paula Allison; treasurer, Pat Jones; and secretary, Pam Miller. These officers have done a wonderful job of presiding over the class of 1962. Under their instruction and with the help of the sponsors, Mr. Page, Mr. Sheedy, Mr. Nelson, Miss Dowling, and Miss Lucas, the sophomores will have a class party at the end of the school year. All of the sports at C.S.H.S. found several members of the class participating and excelling in them.

The sophomore class has been consistently represented on the honor roll for the six weeks and semester grading periods. In community drives such as the Tuberculosis drive and the Heart Fund drive, they have taken high honors.

Cheryl Zuckschwerdt, Sheila Erne, Mary Ogilvie, and Joann Weddle read old *Logs* at a sophomore slumber party.

Sophomore sponsors this year were Miss Dorothy Dowling, Mr. Walter Page, Mr. Robert Sheedy, Miss Edith Lucas, and Mr. Leroy Nelson.

Marty Laws, Charles Robinson, Larry Eckelman, Kathy Sheehy, Doug Voelz, Betty Guthrie, Janice Duncan, Mike

Fivecoat, Greg Smith, Barbara Bosart. These people are standing around the flag pole in front of the school.

Diane Davis is planning her schedule with her counselor, Mr. Ted Marston.

Sophomore officers are: Standing: Pat Jones, Mike Burt. Seated: Paula Allison, Pam Miller.

PROGRESS!

The attractive and useful products made by Arvin today are a lot different from the fabricated metal parts Arvin first began manufacturing forty years ago. The schools and the students (as exemplified by Marietsa Theobald, Barbara Stadler, Jane Coppock, Larry Long, Paul Schwartzkopf and Claude Prichard in the above picture) have changed for the better too.

But during all these years one thing has not changed — the pleasant relationship Arvin always has enjoyed with the schools, the churches and the people in and near Arvin communities. To all its employees, friends and neighbors in or near Columbus Arvin extends its greetings. Best of luck to all Columbus High School Seniors.

Mrs. McHain,
 Best wishes to
 a great teacher. ^{It's been}
 fun being in your history
 class this year. Have a nice
 & enjoyable summer. I'll see
 you there next year.

Mrs. McHain,
 Best wishes to a
 great history teacher.
 We're all very glad to see
 you back, so take care of
 yourself.

Sue Foster

Dear Mrs. McHain,
 May you always be
 a happy person. Please
 may you always be
 and may you live the long and
 happy life. We don't find the way to help
 you when you can not find the way. History
 Period 1 (1961)

Mrs. Mc Hair, pleasure
 It has been a teacher.
 having you as a teacher.
 glad of health. you are
 I am in good will never summer,
 and in good will a nice future.
 one teacher I have in the future.
 I hope you have in the future.
 and lots of luck in the future.
 and lots of luck in the future.

Dear Mr. Hair,
 To a real nice teacher
 in English. You are my
 best teacher I have ever
 had. I learned more this
 year in English than I ever
 did.
 Love you!

Mrs. Mc Hair,
 I am speaking for Jim Harder
 and myself. We have enjoyed having you
 as a teacher. I know that we have given
 you a rough time in the first semester
 but we are sorry. You are one teacher
 we will never forget. Please you will
 Remember us too. Have a nice summer
 and lots of luck in the future and don't
 be to hard on your next victims.
 Your best two students I hope.

DISCARD

Mrs. McKinn
The best of luck
to you always. It's
been a pleasure having
you for English and
writing sincere.
Best wishes always
- Margaret Owen

I have really
enjoyed being
in your first
period history
class this year.
Always remember,
Betty Owen

Mrs. M^{rs} Bain
It has been
wonderful having you for
a history teacher this year.
I'll never forget you and how
nice you've been to me since I
entered this school. When you enter
into a new school, it helps so much to
have a teacher show interest in you as
you did to me, and you tried so hard to
get me acquainted with as many students
as you could. Best of luck always and I hope
you never get sick again.
With love
D L Hodges
